

# Steps for starting a First Priority campus club:

## Step 1: Obtain information

Visit the First Priority website [[firstprioritytampa.org](http://firstprioritytampa.org)] or the phone app [First Priority of Tampa Bay] to access the steps for launching a club, understand the mission of First Priority, and the responsibilities of being a leader.

## Step 2: Recruit a team

Talk with your Christian friends about helping you to start a First Priority group, and ask them to familiarize themselves with the mission and student responsibilities.

## Step 3: Find a faculty host

Find a teacher or faculty member who is willing to host your weekly meetings.

## Step 4: Schedule training

Contact First Priority to schedule training, which will be provided on campus or at a church site. [info@firstprioritytampa.org](mailto:info@firstprioritytampa.org).
